Subject: Support for Planning Application H23-0904-26

Dear Planning Officer,

I am writing to express my support for planning application **H23-0904-26**, relating to the erection of a log cabin for incidental domestic purposes and use for childminding, together with the change of use of part of the paddock to a play area associated with the childminding business.

I have met with the applicants and discussed their proposals in detail. Having done so, I believe this is an excellent opportunity for local children and parents within Whaplode Drove and the surrounding area. The proposal would provide valuable childcare provision within the village, offering increased choice and convenience for local families.

The plans appear well considered and would make positive use of the site while supporting a much-needed community service. I am pleased to support this application and would encourage the Council to give it favourable consideration.

Yours sincerely
