DO NOT SCALE FROM THIS DRAWING

This drawing is copyright and may not be altered, issued, photographed or used for any other purposes other than that for which it is issued. The General Contractor is to check all dimensions on site and report any discrepancies to the Architect. All details shown on this drawing including foundations are based upon typical site conditions related to this area. We cannot be responsible for any unforeseen conditions which may be discovered during construction unless reported to this Architect as that design recommendations may be considered. Site and surveys are considered to be correct and based on average ground site conditions before foundation work is undertaken. This drawing is issued in the amount of information contained and does not purport to comprise a full specification of the works. It is solely for the purposes of obtaining Planning / Building Regulation approval. This drawing must not be used as a contract document alone. The works will not be supervised or inspected on site by G R Merchant or any representative thereof. It is the client or their appointed agents responsibility to employ competent contractors, suppliers, sub-contractors, specialists to carry out all materials to be new unless otherwise stated and all components and materials are to be used fitted and installed etc in strict accordance with manufacturers instructions and relevant code of practice. Contractors shall undertake to appropriate British Standard specification or BBA certificate of Competent users are noted. The Employer / Client shall ensure that the selected contractor is experienced with and adopts all measures to conform with Health and Safety regulations for Building sites and Work places. The Employer / Client is advised that should the works need to comply with the Construction Design and Management Regulations an Independent Planning Supervisor will be required. The works shall comply in all that is shown on the drawing and details. Work that may not specifically shown but may be reasonably inferred as necessary to carry out the works shall be deemed to be included.

This drawing is copyright and may not be altered, traced, photographed or used for any other purpose other than that for which it is issued. The Client/Contractor is to check all dimensions on site and report any discrepancies to the Architect. All details shown on this drawing including foundations are based upon typical site conditions relative to the area. No responsibility can be accepted for abnormal conditions which may be discovered during construction unless reported to the Architect as that design responsibility may be considered. Site soil surveys are recommended in respect of foundations to establish specific site conditions before foundation work is undertaken. This drawing is limited to the amount of information contained and does not purport to contain a full specification of the works. It is solely for the purposes of obtaining Planning / Building Regulations approval. This drawing must not be scaled as a (c) mail document drive. The works will not be examined or inspected on site by G.R. Merchant or any representative thereof. It is the client or their appointed agents responsibility to control workmanship, satisfactory use of materials, adherence to specification, variations to contract etc.

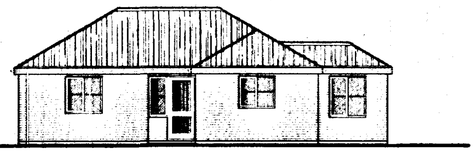

All materials to be new unless otherwise noted and all components and materials etc. to be used fitted and installed etc. in strict accordance with manufacturers instructions and relevant codes of practice. Materials shall conform to appropriate British standard specification or BBA certificates or European code equivalent. The Employer / Client shall ensure that the selected contractor is competent with and aware of all precautions necessary to achieve compliance with Health and Safety legislation for Building sites and Work places. The Employer / Client is advised that should the works need to comply with the Construction (Design and Management) Regulations an independent Planning Supervisor will be required. The works shall comprise of all that is shown on the drawing and details. Work that may not specifically shown but is reasonably inferred as necessary to carry out the works shall be deemed to be included.
