South Holland District Council hereby give notice that PERMISSION HAS BEEN GRANTED for the development in accordance with the application and plans submitted, subject to any condition(s) set out below:

1 The development must be begun not later than the expiration of five years beginning with the date of this permission.

Reason: As required by Section 91 of the Town and Country Planning Act 1990.

2 Before any development is commenced, a scheme of landscaping and tree planting for the site, including details of positions, heights on planting and species of trees and shrubs, shall be submitted to and approved by the Local Planning Authority.

Reason: In the interests of visual amenity.

3 The approved scheme of landscaping and/or screening shall be carried out in its entirety within a period of two years beginning with the date on which development of the land is commenced. The trees, shrubs or bushes shall be adequately maintained by the owner(s) of the land on which they are situated for a period of ten years beginning with the date of completion of the scheme, and all losses shall be made good during that period.

Reason: In the interests of visual amenity.

4 Before the occupation of any of the dwellings hereby approved, a screen fence of a height not less than 1.8 metres shall be erected along the common boundary of the site with the Whaplode River and part of the southern boundary of the site as shown on the approved plan.

Reason: In the interests of residential amenity.

SOUTH HOLLAND DISTRICT COUNCIL

5 Before the commencement of the construction of the dwellings hereby approved, the visibility splays shall be provided as shown on the approved plan.

Reason: In the interests of highway safety.

6 Before the development is commenced, a plan shall be submitted to the Local Planning Authority showing a 1.8 metre footpath around the turning area (details to accord with the County Council's specifications) and the resiting of the dwellings 1 to 4, 3 metres back from that footpath.

Reason: To define the terms of the permission and in the interests of visual and residential amenity.

7 The roads and footways shall be laid out and made up in accordance with the specification, programme and details to be approved and in any event shall be so constructed that, by not later than the time any dwelling erected on the land is occupied, there shall be direct connection from it (completed to the approved specification less the carriageway and footway wearing courses) to an existing highway; and the carriageway and footway wearing courses shall be completed within three months from the date upon which the erection is commenced of the penultimate dwelling to which this permission relates.

Reason: In the interests of highway safety.

8 Before the occupation of the dwellings hereby approved, bollards shall be erected at the junction of the access way with the track which extends southwards from the existing garage block on the adjacent land to the north west. Such bollards shall be positioned so as to exclude vehicular traffic and shall be erected to the satisfaction of the Local Planning Authority.

In the interests of highway safety.

9 No dwelling to which this permission relates shall be commenced unless or until the carriageway basecourse and kerb foundation of the new estate roads onto which it fronts, is adjacent to, or gains access from, has been constructed.

Reason: In the interests of residential amenity and to safeguard the interests of the highway authority in the interests of highway safety.

10 Before the occupation of dwellings 9 and 10, a 1.8 metre high fence shall be erected along the western boundary of the curtilage of dwelling No 9 (and along the return of that boundary to the dwelling itself) and also along the rear (southern) boundary of the curtilage of dwelling No 10.

Reason: In the interests of residential amenity.
