Application H23-1058-25
Location Irby House Millgate Whaplode PE12 6RT
Proposal Siting of Residential Caravan - Retrospective

Name Diane Gordon
Address SHDC Environmental Protection

Date Submitted 01-12-25
For/Against Comments

Due to the siting of the caravan within a designated industrial estate area it will have a reduced level of amenity and be subject to potential noise nuisance. given the retrospective aspect of the application i would recommend permission is only for the current occupants.
