Thank you for consulting us on this.
It is noted that the applicant has provided an assessment of the archaeological or heritage potential of the site, as outlined in the NPPF (paragraph 207).
Having reviewed the application documents and the updated available Historic Environment information for this application, the proposal is unlikely to have an impact on significant archaeological remains. Consequently, no further archaeological input is necessary for this application. It is not necessary to consult us on this application again, unless there are material changes to the proposals. However, if you would like advice from us, please contact us to explain your request.
Regarding any potential indirect impacts (setting), I defer comments to the SHDC Conservation Officer.
