TOWN AND COUNTRY PLANNING ACT 1990

RESERVED MATTERS

Reference:	H23-1169-22	**Date of Decision:**	23rd January 2023
Applicant:	SSJ Property Investments Ltd. 26 Station Road Surfleet Spalding PE11 4DA		
Location:	Adj. Rosedene 10 Mill Lane Whaplode Spalding		
Description:	Proposed Dwelling - outline approval H23-1181-21		

South Holland District Council hereby give notice that APPROVAL HAS BEEN GRANTED for the details submitted under the terms of the outline permission, subject to any condition(s) set out below:

1 The development hereby permitted shall be carried out in accordance with the following approved plans and/or documents:

3539-1 Rev A
3539-2 Rev B
3539-3

Reason: For the avoidance of doubt and in the interests of proper planning.

2 The proposed first floor window in the western elevation serving the bathroom shall be obscure glazed using Grade 4 glass and thereafter so maintained.

Reason: To prevent overlooking in the interests of the amenity of nearby residents.
This Condition is imposed in accordance with Policy 3 of the South East Lincolnshire Local Plan, 2019 and with national guidance contained in Section 12 of the National Planning Policy Framework 2021.

Notes:

The Local Planning Authority has acted positively and proactively in determining this application by assessing it against all material considerations, including national guidance, planning policies and representations that have been received during the public consultation exercise, and subsequently determining to grant planning permission.

This decision notice, the relevant accompanying report and the determined plans can be viewed online at http://planning.sholland.gov.uk/OcellaWeb/planningSearch

The applicant has indicated that they intend to dispose of surface water via infiltration, however the viability of this proposal has not been evidenced. It is recommended that ground investigation is carried out to determine infiltration potential, followed by testing in line with BRE Digest 365 if onsite material is considered favourable for infiltration. If infiltration is not feasible at this site, following the drainage hierarchy surface water discharge to a watercourse would be expected. In this case, consent would be required under Byelaw 3. Please note that any discharge should be in line with the Non-Statutory technical standards for sustainable drainage systems (SuDS), therefore the Board is unlikely to grant consent for discharges in excess of greenfield rate.

It is noted that the applicant has not indicated how they propose to dispose of foul water from the development. If the applicant proposes to discharge treated foul water to a watercourse, consent would be required under Byelaw 3. If the applicant proposes to discharge treated foul water via soakaway, it is recommended that relevant testing is undertaken as outlined above to evidence the viability of this proposal.

The applicant should confirm if there are any riparian owned/maintained watercourses within or adjacent to the site boundary. Should the applicant's proposals include works to alter a watercourse, or if works are proposed to alter a watercourse at any time in the future, consent would be required under the Land Drainage Act 1991 (and byelaw 4).

The permitted development requires the formation of a new/amended vehicular access. These works will require approval from the Highway Authority in accordance with Section 184 of the Highways Act. The works should be constructed in accordance with the Authority's specification that is current at the time of construction. Relocation of existing apparatus, underground services or street furniture will be the responsibility of the applicant, prior to application.

or contact vehiclecrossings@lincolnshire.gov.uk

Please contact the Lincolnshire County Council Streetworks and Permitting Team on 01522 782070 to discuss any proposed statutory utility connections and any other works which will be required within the public highway in association with the development permitted under this Consent. This will enable Lincolnshire County Council to assist in the coordination and timings of these works.

BUILDING REGULATIONS:
This decision refers only to planning permission as granted under the Town and Country Planning Act 1990. The works that you are proposing may also require Building Regulations and this planning permission does not give authority under Building Regulations to commence work. Please contact the Building Control section for further information on 01775 764557 or bcadmin@sholland.gov.uk

RIGHTS OF APPEAL

Appeals to the Secretary of State

If you are aggrieved by the decision of your Local Planning Authority to refuse permission for the proposed development or grant consent subject to conditions, then you can appeal to the Secretary of State under Section 78 of the Town and Country Planning Act 1990 or Section 20 of the Planning (Listed Building and Conservation Areas) Act 1990.

Timescales for appealing

The deadlines for appeals are calculated from the **date of decision** and are as follows for the types of applications below:

12 Weeks	6 Months	8 Weeks
Householder Applications	Planning Permission	Consent to Display Adverts
Minor Commercial Development	Listed Building Consent	
Agricultural Determinations	Other Prior Approval Applications	
Householder Prior Approval Applications		

https://www.gov.uk/appeal-householder-planning-decision

https://www.gov.uk/appeal-planning-decision

If you intend to submit an appeal that you would like examined by inquiry then you must notify the Local Planning Authority and Planning Inspectorate (inquiryappeals@planning inspectorate.gov.uk) at least 10 days before submitting the appeal. Further details are on GOV.UK.

Enforcement Notices

If an enforcement notice was served prior to the planning application being determined then the deadline for appealing is 28 days from the date of the **planning refusal**.

If an enforcement notice is served after the planning application is determined then the deadline for appealing is 28 days from the date of the **enforcement notice** OR **the timescales stated above for each application type** from the date of the planning refusal - whichever is sooner.

Appeals can be made online at: https://www.gov.uk/planning-inspectorate. If you are unable to access the online appeal form, please contact the Planning Inspectorate to obtain a paper copy of the appeal form on tel: 0303 444 5000.

The Secretary of State can allow a longer period for giving notice of an appeal but will not normally be prepared to use this power unless there are special circumstances which excuse the delay in

giving notice of appeal.

The Secretary of State need not consider an appeal if it seems to the Secretary of State that the Local Planning Authority could not have granted planning permission for the proposed development or could not have granted it without the conditions they imposed, having regard to the statutory requirements, to the provisions of any development order and to any directions given under the order.

Purchase Notices

If either the Local Planning Authority or the Secretary of State refuses permission to develop land or grant it subject to conditions the owner may claim that he can neither put the land to a reasonably beneficial use in its existing state nor can he render the land capable of a reasonably beneficial use by the carrying out of any development which has been or would be permitted.

In these circumstances the owner may serve a purchase notice on the Council in whose area the land is situated. This notice will require the Council to purchase his interest in the land in accordance with the provisions of the Part VI of the Town and Country Planning Act 1990 or Section 32 of the Planning (Listed Building and Conservation Areas) Act 1990.

Compensation

In certain circumstances compensation may be claimed from the Local Planning Authority if permission is refused or granted subject to conditions by the Secretary of State on appeal or on reference of the application to him.

These circumstances are set out in Section 114 and related provisions of the Town and Country Planning Act 1990 and Section 27 of the Planning (Listed Building and Conservation Areas) Act 1990.
