This drawing is copyright and may not be used, lent, reproduced or made available to any other person without the written consent of the author. Any unauthorised use of this drawing will render the user liable to prosecution and claims for damages. All dimensions are to be checked on site before any work is put in hand or any materials are ordered. Any discrepancies are to be reported to the author immediately. This drawing is to be read in conjunction with all relevant engineers' and specialists' drawings and specifications. The author will not be responsible for any errors or omissions arising from the use of inaccurate or incomplete information supplied by others. This drawing is not to be used for the purposes of obtaining Tenders. The author will not be responsible for the accuracy of any information supplied by others. This drawing is not to be used for the purposes of obtaining Building Regulation Approval. The author will not be responsible for any errors or omissions arising from the use of inaccurate or incomplete information supplied by others. All materials to be new unless otherwise noted and all components and materials etc. to be used strictly in accordance with the manufacturer's recommendations. It is the responsibility of the contractor to ensure that all work complies with the requirements of the Building Regulations 2000 as amended. Responsibility for the safety of the construction is that of the contractor and not the author. The contractor is responsible for the safety of all persons on the site and taking all necessary precautions to protect the public and adjoining properties during the construction period. The employer shall be responsible for all matters relating to the Construction (Design and Management) Regulations 1994 and shall appoint a competent person to undertake the duties required by the Regulations. The author will not be responsible for any errors or omissions arising from the failure of the employer to comply with the Regulations. The author shall not be responsible for any matters relating to the existing structure and the works described in this schedule.
