Job Ref.	Drawing No.
1528/06	01A
Date: JAN '07	Drawn: SLH

Scales
1/50. 1/100.

DO NOT SCALE FROM THIS DRAWING

This drawing is copyright and may not be altered, traced, photographed or used for any other purpose other than that for which it is issued. The General Contractor is to check all dimensions on site and report any discrepancies to the Architect. All details shown on this drawing including foundations are based upon typical site conditions related to the area. No responsibility can be accepted for alterations or amendments may be considered during construction unless reported to the Architect and their comments received and confirmed in writing. The Contractor is responsible for checking all conditions on site before foundation work is undertaken. This drawing is issued with the amount of information contained and does not purport to contain a full specification of the works. It is solely for the purpose of obtaining Planning / Building Regulation approval. The drawing must not be used as a detailed document alone. The works will not be supervised or inspected on site by G R. Merchant or any representative thereof. It is the client or their appointed agents responsibility to control workmanship, substitution of materials, adherence to specification, variations to covered details, materials to be new unless otherwise stated and all components and materials etc. to be used fitted and installed SLI in strict accordance with manufacturers instructions and relevant code of practice. Materials shall conform to appropriate British standard specification or BBA certificate or European trade agreements. The Employer/Client shall ensure that the selected contractor is competent with adequate insurance cover, employers liability, in accordance with Health and Safety regulations, Building Regulations and Work Place Directives. The Contractor shall be responsible for and comply with the Construction Design and Management Regulations and an Independent Planning Supervisor will be required. The works of all samples of all that is shown on the drawing and details. Works that may not specifically be shown but may be reasonably inferred as necessary to carry out the works shall be deemed to be included. It is the joint owners responsibility to be aware of the Party Wall etc. Act 1996 when building in close proximity to adjoining neighbors boundaries.
