Location	THE MELROSE DOWSDALE BANK SHEPEAU STOW PE12 0TZ
Proposal	Change of use from agricultural, business and residential to kennels and dog training including new kennels, conversion of container into reception and conversion of garage into food preparation and storage, part retrospective

---

Name	County Councillor Nigel Pepper
Address	Lincolnshire County Council
Date Submitted	15-05-19
For/Against	Comments

As a County Councillor for the area of the proposed development and District Councillor of a neighbouring ward (Division is the other side of the same road)
I have received concerns from residents about high noise levels from barking dogs, starting guns and shouting from the dog trainer.

These are the present observations emanating with just a few dogs presently on site and it is feared that if planning permission is granted these issues will increase significantly.

Therefore please take these matters into account in coming to a final decision.
