Description: 11,000 volt overhead line

Location : Parish of Whaplode Spalding
Lincs

South Holland District Council has considered the proposal and has NO OBJECTIONS to the development, subject to any comments set out below:

2 Before development is commenced details of the arrangements made for an archaeologist recognised by the Local Planning Authority to monitor all stages of the development involving ground disturbance shall be submitted to and approved in writing by the Local Planning Authority. The approved arrangements shall be carried out during site operation, and a report of the findings of the archaeologist shall be submitted to the Local Planning Authority within one month of the completion of site operation and shall include arrangements for the conservation of artefacts removed from the site.

Reason: The proposed development is in an area of archaeological significance.

No objections providing the overhead line is not detrimental to the safety of planes using Fenland Airfield.

The determined plans are:-
Dwg No. 1273/4 received on 20 Dec 99.

OVERHEAD LINES
ELECTRICITY ACT 1989
TOWN AND COUNTRY PLANNING ACT 1990.

With reference to the application particulars of which are specified below, I am directed by the Secretary of State to inform you that consent is hereby granted pursuant to section 37(1) of the Electricity Act 1989 ("the 1989 Act") to the installing above ground of electric lines ("the lines") particulars of which are specified below.

Pursuant to section 37(3) of the 1989 Act this consent is given subject to the following conditions:

1. Subject to Regulations 50, 51, 71 and 72 of The Conservation (Natural Habitats, &c.) Regulations 1994, the Secretary of State may review this consent at any time after a period of five years from the date hereof, and upon such review, after giving all persons concerned an opportunity of being heard, he may vary or revoke his consent.

2. If the Secretary of State revokes this consent the lines shall be removed within such period as the Secretary of State may direct.

Pursuant to section 90(2) of the Town and Country Planning Act 1990 ("the 1990 Act") the Secretary of State hereby directs that planning permission for the Development shall be deemed to be granted subject to the following condition(s):

1. The Development to which this permission relates shall be begun not later than the expiration of five years beginning with the date hereof.

Reason: For conformity with section 91 of the 1990 Act.

2. No work associated with the Development involving ground disturbance shall be commenced until details of such works have been submitted to and approved in writing by South Holland District Council (following consultation with Lincolnshire County Council Archaeological Officer). Such works shall be carried out in accordance with such Approved details. The Company shall afford safe and reasonable access to any person(s) nominated by the County Council to observe the excavations and record items of interest and finds.

Reason: To ensure the impact on the archaeological sites is properly addressed.

3. The Company shall dismantle and remove from the site any redundant lines and apparatus within six months from the date of commissioning of the lines.

Reason: To restore the land as far as practicable to its condition before the redundant lines and apparatus were installed.

4. Where any matter is required to be approved by the District Council under any of the foregoing conditions in default of such approval that matter shall be determined by the Secretary of State.
