Job Ref. 1011-04	Drawing No. 01A	
Date AUG '04	Drawn CRM.	
Scales AS INDICATED.		
DO NOT SCALE FROM THIS DRAWING This drawing is copyright and may not be altered, traced, photographed or used for any other purpose other than that for which it is issued. The General Contractor is to check all dimensions on site and report any discrepancies to the Architect. All details shown on this drawing including foundations are based upon ground level conditions related to the site. No responsibility can be accepted for structural conditions which may be discovered during construction unless reported to the Architect on that design amendments may be considered. Site and surveys are recommended in respect of foundations to establish specific site conditions before foundation work is undertaken. This drawing is limited in the amount of information contained and does not purport to provide a full specification of the works. It is solely for the purpose of obtaining Planning / Building Regulation approval. This drawing must not be used as a contract document alone. The works will not be supervised or inspected on site by G. R. Merchant or any representative thereof. It is the client or their appointed agents responsibility to ensure satisfactory, substitution of materials, adherence to specifications, variations to contract etc. All materials to be new unless otherwise stated and of appropriate and suitable etc. to be used fixed and installed etc. in strict accordance with manufacturers' instructions and relevant code of practice. Materials shall conform to appropriate British standard specification or ENA certificate or European code equivalent. The Employer / Client shall ensure that the selected contractor is competent with and holds all necessary insurance to ensure compliance with Health and Safety legislation for Building sites and Work places. The Employer / Client is advised that should the works need to comply with the Construction Design and Management Regulations an independent Planning Supervisor will be required. The works and completion of all that is shown on the drawing and details. Work that may not specifically shown but may be reasonably inferred as necessary to carry out the works shall be deemed to be indicated.
