DO NOT SCALE FROM THIS DRAWING
This drawing is copyright and may not be stored, traced, photographed or used for any other purpose without the permission of G. R. Merchant. The Contractor is to check all dimensions on site and report any discrepancies to the Architect. All details shown on this drawing including foundations are based upon typical site conditions related to the area. No responsibility can be accepted for abnormal conditions which may be discovered during construction unless reported to and noted so that design ammendments may be considered. Site soil surveys are recommended as a speed of foundations to establish specific site conditions before foundation work is undertaken. This drawing is limited in the amount of information contained and does not purport to contain a full specification of the works. It is solely for the purposes of obtaining Planning / Building Regulation approval. This drawing must not be used as a contract document alone. The works will not be supervised or inspected on site by G. R. Merchant or any representative thereof, it is the client or their appointed agents responsibility to control workmanship, substitution of materials, adherance to specification, variations to contract etc.
All materials to be new unless otherwise stated and all components and materials etc. to be used in accordance with and installed etc. in strict accordance with manufacturers instruction and relevant code of practice, Materials shall conform to appropriate British standard specification or BBA certificate or equivalent code equivalent. The Employer / Client shall ensure that the selected contractor is competent with and adopts all measures necessary to achieve compliance with Health and Safety legislation for Building sites and Work places. The Employer / Client is advised that should the works need to comply with the Construction Design and Management Regulations an independent Planning Supervisor must be appointed. Any items not specifically mentioned but may be reasonably inferred as necessary to carry out the works shall be deemed to be included.
