DO NOT SCALE FROM THIS DRAWING

This drawing is copyright and may not be altered, traced, photographed or used for any other purpose other than that for which it is issued. The General Contractor is to check all dimensions on site and report any discrepancies to the Architect. All details shown on this drawing including foundations and any dimensions in relation to boundaries are for guidance only. No responsibility can be accepted for abnormal conditions which may be discovered during excavation. Where requested by the Architect as that design commencements may be considered, trial pit surveys are recommended in respect of foundations to establish specific site conditions before foundation work is undertaken. This Drawing is limited in the amount of information contained and does not purport to contain a full specification of the works. It is solely for the purposes of obtaining Planning / Building Regulation approval. This drawing must not be used as a contract document alone. The works will not be supervised or inspected on site by G.R. Merchant or any representative thereof. It is the client or their appointed agents responsibility to comply with planning, submission of materials, adherence to specification, variations to contract etc.

All materials to be new unless otherwise stated and all components and materials etc. to be used fixed and installed etc. in strict accordance with manufacturers instruction and relevant code of practice. To comply with all conditions to accompany British standard specification or BBA certificate or European equivalent where appropriate. All proposed work and the completed construction must comply with and advice all the requirements to all relevant Building Regulations and Health & Safety legislation for Building sites and Work places. The Employer / Client is advised that all of the works need to comply with the Construction Design and Management Regulations an independent Planning Supervisor will be required. The works shall comprise of all that is shown on the drawing and details. Work that may not specifically shown but may be reasonably inferred as necessary to carry out the works shall be deemed to be included.
