DO NOT SCALE FROM THIS DRAWING
This drawing is copyright and may not be altered, traced, photographed or used for any other purposes other than that for which it is issued. The General Contractor is to check all dimensions on site and report any discrepancies to the Architect. All details shown on this drawing including foundations are based upon typical site conditions related to the area. No responsibility can be accepted for abnormal conditions which may be discovered during construction unless reported to the Architect before the commencement of the relevant work. Trial excavations are to be recommended in respect of foundations to establish specific conditions before commencement. Dimensions: This drawing is limited in the amount of information contained and does not purport to contain a full specification of the works. It is only for the purpose of obtaining Planning / Building Regulation approval. This drawing must not be used as a contract document alone. The works will not be supervised or inspected on site by G R Merchant or any representative thereof. It is the client or their appointed agents responsibility to control workmanship, substitution of materials, adherance to spe- cification, variations to contract etc.
All materials to be new unless otherwise stated and all components and materials etc, to be used fitted and installed etc, in strict accordance with manufacturers instruction and relevent code of practice. Materials shall conform to appropriate British standard specification or BBA certificate or European conformity equivalent. The Employer / Client shall ensure that the selected contractor is competent with and adopts all measures necessary to achieve compliance with Health and Safety Regulations. Construction (Design & Management) Regulations: The Employer / Client is advised that he has a need to comply with the Construction (Design & Management) Regulations and that a competent Planning Supervisor will be required. The works shall comprise of all that is shown on the drawing and details. Work that may not be specifically shown but may be reasonably inferred as necessary to carry out the works shall be deemed to be included.
